
What You Can Do

Leave Your Car at Home

For every mile you walk instead of driving you save about...

242 grams of CO₂ and 20¢ for a passenger car

505 grams of CO₂ and 23¢ for a lightweight truck

*and use about...100 calories!**

**(for a 150 lb person)*

Save money on your commute!

Commuter Benefit Program

(Administered by WageWorks)

Pay for eligible commuting expenses through automatic, pre-tax payroll deductions. Save hundreds of dollars a year by using pre-tax money to buy your train, bus, and subway tickets and/or your vanpool or commuter parking. All it takes is a quick online or phone order to get a pass or debit card delivered to your home every month. Go to <http://hr.tufts.edu> and click 'Commuter Benefit Program.'

How to save the environment and your money

Share a Ride

Find others who share your commute instantly using the MassRides database. All you have to do is submit an application.

GoLoco is a Facebook application providing online ride matching service. It uses a system of alerts to let you know when someone in your area is traveling somewhere you might want to go. Register your commute and find someone to share your ride with. Save money and make a friend!

Take the Joey!
