

MBTA Discounts

Students can order **discount semester passes** through the Student Services Center at Dowling Hall. Download the “MBTA order form” through the Registrar’s website at uss.tufts.edu/registrar/SS_StudentForms.asp/. The fall semester deadline is August and the spring semester deadline is January.

Discounted round-trip MBTA passes valued at \$5 are available to student groups for \$4 at the Mayer Campus Center information booth.

Tufts faculty and staff can use **pre-tax funds to pay for transit passes and tickets**. All it takes is a quick online or phone order to get a pass or debit card delivered to your home every month. Go to hr.tufts.edu and look for “Commuter Benefit Program” under “Benefits”.

Carpool & Vanpool Parking

Carpool parking permits are available for employees who want to split the cost of a parking permit at Tufts’ Medford campus with their co-workers. Each carpool hang-tag allows parking in any designated spot and comes with a limited number of day passes for those days when members are not able to carpool.

There are one prime spot in the parking garage reserved especially for car- and van-poolers on the 5th floor of Dowling next to the stairs. Another spot is behind Bendetson Hall on the Upper Campus Lot. More information on this new type of parking permit can be found at TUPD’s Administrative Services webpage at <http://publicsafety.tufts.edu/adminsvc/parking-services>.

Electric Vehicles welcome!

Tufts’ first electric vehicle charging station can be found in the ground floor of the Dowling Hall parking garage. Visit <http://www.plugshare.com> to check if the station is in use.

Biking at Tufts

Tufts Bikes is a student-run bikeshare program on the Medford campus. Bikes, helmets and locks can be checked out from the library for FREE by students, faculty and staff. Bikes can be borrowed for up to 8 hours.

TuftsBikes also operates a bike workshop, holds safety and urban riding classes, and organizes group rides. For more information, visit their website at: <http://www.tuftsbikes.com/>

Download our Bike Map at <http://go.tufts.edu/bikemap> for information specific to cycling, such as locations of bike racks and how avoid steep hills on campus.

Hubway, Boston’s bike-share program, has a station on the corner of Powderhouse Blvd. and Packard Ave., as well as Davis, Ball, and Porter Squares. (Note that these locations do not operate during the winter!)
