Volume 2 Issue 16

January 2012

Dear Tufts Environmental,

If you made any promises to eat more vegetables in 2012, you are in luck because a winter CSA is coming to Tufts! You may have heard of these "farm shares" before - CSA stands for "Community Supported Agriculture". By buying a share at the beginning of the season, you get a box of fresh local produce delivered to the Tufts campus every week from February to April. [Find out more](#) about prices and sizes on our blog, [sign up online](#) or attend the general interest meeting tonight (Jan 30) at 9PM in Eaton 209.

Enterprise Farms has a year-round CSA program.

Look out for more exciting sustainability news as the Campus Sustainability Council chaired by President Tony Monaco gets underway. The Council met for the first time this morning and is in the process of setting goals in the areas of waste, water and energy. We will continue to post updates on the council's [website](#) in the months ahead.

Have a lovely week and stay green!
- Fannie
