Volume 2 Issue 2

September 2011

Dear Tufts Environmental,

Matriculation Day is behind us but Freshman Orientation week is still in full swing!

Since our full newsletter only goes out once a month, we are sending out an "Events Update" (plus new jobs!) every other week so that you can keep up with what's going on in the environmental community. Our [blog](#) and [Facebook page](#) are updated several times a week so [follow us](#)  or [like our page](#)  if you would like to get more immediate updates.

The Class of 2015 arrives from 47 states, the District of Columbia, Puerto Rico and 37 countries. (Photo: Emily Zilm)

Happy Labor Day weekend!
