

Sustainable Living

Eco-Reps are paid students who work for the Office of Sustainability to promote sustainability in their residence halls and

on campus. They plan educational events, run the residence hall compost program, and provide sustainability resources to their peers.

The Hive is a sustainability-themed housing suite located in the Latin Way apartments. If you'd like to intentionally incorporate sustainability into your residential experience, consider applying to live in The Hive!

The Green House is a sustainability-themed house for juniors and seniors. This house is part of the CoHo (Community Housing) residences on campus. If you want to work on a collaborative sustainability project, consider applying to live in The Green House!

To learn more, check out the **Get Involved** tab at sustainability.tufts.edu, under *Student Opportunities* and *Live in Sustainability-Themed Housing*.

Office of Sustainability

Sustainability at Tufts is a collective effort spanning departments, offices, and all Tufts campuses. If you're interested in learning more about sustainability at the university, please visit our website or contact the **Office of Sustainability** to be put in touch with the right people.

Staying Active

Tufts Bikes is a student-run organization promoting biking culture at Tufts. They maintain a free campus bikeshare program available through the Tisch library, and offer **free bike repair services at their shop at 28 Sawyer Ave.** If you're interested in learning about bike repair, safety, administration and more, get involved with Tufts Bikes!

Learn more: [facebook.com/tuftsbikes](https://www.facebook.com/tuftsbikes)

Tufts Mountain Club (TMC)

organizes all types of outdoor activities - hiking, climbing, kayaking, skiing, and more! They also run the Tufts Loj, located in Woodstock, NH. Become a member to take advantage of outdoor opportunities and gear rental, or get involved as a trip leader!

Learn more: [facebook.com/tuftsmountainclub](https://www.facebook.com/tuftsmountainclub)

Economics

Tufts New Economy (TNE)

seeks to create new and tap into existing networks for both discussion and action toward a more just and sustainable economy.

Public Facebook Group: [Tufts New Economy](https://www.facebook.com/TuftsNewEconomy)

General Engagement

Sunrise Movement Tufts is

building a coalition of young people at Tufts University to join the fight to stop climate change and create millions of good jobs in the process. **Learn more:** <https://www.facebook.com/sunrisetufts/>

Tufts Climate Action (TCA) is committed to fighting climate change centered on justice. **Learn more:** [facebook.com/tuftsklimataction](https://www.facebook.com/tuftsklimataction)

Tufts Energy Group focuses

on engaging and educating the Tufts community about energy issues.

More: [facebook.com/tuftsenerygroup](https://www.facebook.com/tuftsenerygroup)

Tufts Labor Coalition promotes

community between students and campus through events and activism.

Learn more: [facebook.com/tuftslaborcoalition](https://www.facebook.com/tuftslaborcoalition)

Tufts Urban Policy, Planning, and Prosperity (UP3) allows students to

learn about city planning, architecture, transportation, sustainable design, and more.

Learn more: [facebook.com/TuftsUP3](https://www.facebook.com/TuftsUP3)

Tufts Student Action (TSA) is a student

group devoted to building student power to fight for racial, economic, and gender justice. **Learn more:** [facebook.com/tuftstudentaction](https://www.facebook.com/tuftstudentaction)

Sustainable Food

Tufts Student Garden is a student-run garden located behind Latin Way apartments. Students cultivate produce and other plants while learning about gardening techniques and low-impact agriculture.

Public Facebook Group: [Tufts Student Garden](https://www.facebook.com/TuftsStudentGarden)

Food Rescue Collaborative

works to address food insecurity while minimizing food waste from the dining halls. Student volunteers turn dining hall leftovers into complete meals to donate to local families in need.

Learn more: go.tufts.edu/foodrescue

Food for Thought seeks

to address current food issues, including sustainability, nutrition, social justice, and more.

Learn more: [facebook.com/foodiesattoofts](https://www.facebook.com/foodiesattoofts)

Food Systems & Nutrition Minor

This minor encompasses a wide array of topics addressing sustainable food production, policy, access and nutrition. The aim is to provide a solid foundation to understand food systems from a holistic interdisciplinary point of view while providing students flexibility to specialize in an area that is most relevant to their interests and career goals.
