-  **Zipcar:** Register at zipcar.com/tufts

Bike safe, bike smart.

Gear up

Always wear a helmet. Make sure your bike has both a front and back light so you stay visible in traffic.

Ride safely and follow the law

Cyclists must follow the same road rules as vehicles. Learn The League of American Bicyclists' rules of the road at bikeleague.org/ridesmart.

Register with TUPD

Registering your bike can deter theft and help the Tufts Police identify it if it is stolen. To learn more about theft prevention and how to register visit go.tufts.edu/bikeregistration.

Sustainability at Tufts

Tufts plays a crucial role in helping the world adapt to a changing planet while tackling such challenging issues as climate change and resource depletion. Our goal is to be responsible stewards of the physical environment by cultivating knowledge of sustainable issues and solutions across disciplines in our students, staff, and faculty.

Get Involved

Sustainability at Tufts is a collective effort spanning departments, offices, and our campuses in Medford/Somerville, Boston, and Grafton. If you're interested in learning more about campus sustainability, please contact the Tufts Office of Sustainability to be put in touch with the right people. Do not hesitate to stop by the office, whether you're interested in general campus sustainability, a research project, or just want to say hello.

Learn more at sustainability.tufts.edu.

We encourage you to learn how to reduce, reuse and recycle at Tufts. Please visit go.tufts.edu/recycle.
