

Employee Commuter Benefit Programs

Tufts is a member of **A Better City Transportation Management Association (ABC TMA)**, which provides incentives and programs for encouraging commuters

to take public transit, carpool, vanpool, bike, and/or walk to work. For more information or to sign up for any ABC TMA programs, visit abctma.com. Employees on the SMFA campus are eligible to participate in the following programs:

Guaranteed Ride Home

If you use public transit, car/vanpool, bike, or walk to work at least three times a week, you can receive up to **six free rides home each year for emergencies, unscheduled overtime, or illness**. Guaranteed rides home are provided through Metro Cab. You can book a cab through the Boston Metro Cab app or by calling 617-782-5500. You can also use Uber, Lyft, or another cab company. Users will pay for their ride up-front and then submit a claim for reimbursement.

Bus + Boat

If you currently drive alone to work, ABC TMA will reimburse you up to \$150 for the cost of your monthly pass over the course of three months when you switch from driving alone. The pass can be for MBTA express bus, commuter boat, or private bus carrier (Note: this offer does not apply to regular bus or subway services).

Carpool Subsidy

If you've been driving alone to work and begin commuting with at least one other person, ABC TMA will pay you with three months of \$50 gas cards. See "Ride Matching" to find a ride share partner(s).

Vanpool Subsidy

When you join a vanpool, you can receive a **\$150 subsidy** from ABC TMA over three months.

Workout to Work

For ABC TMA's active commuting program, people who incorporate walking or biking into their commute (even if it's just to the local transit stop) can submit their miles each month for a chance to **win great raffle prizes**, like workout gear and gift certificates to local outdoor stores.
